Activity 5 - Design a Substation Box

Following an assembly at school, the children in Years 1-6 have been asked to create a mural that shows the theme of ‘Natural heritage’ or the idea of ‘imagining the future’. The artwork should make people think about Barking’s past as marshlands and the animals that lived here. Alternatively, it can show what the future could be like, focusing on new ideas, hopes and unity.

The winning design will be added to one of the Substation boxes on the Gascoigne Estate!

See attached to draw your substation design. **Hand in your artwork to your teacher by Monday 22<sup>nd</sup> September 2025.**
