Dear Parents and Guardians,

This week, the children have been exploring the delightful text 'Owl Babies' by Martin Waddell. To enhance their understanding and engagement with the story, we encourage you to assist your child by following the link below to watch a video adaptation of the book. This will serve as an excellent resource for discussing key events in the narrative.

Following the video, please engage your child with some simple questions to assess their understanding. Encourage them to describe the main characters or summarise the story in their own words. This dialogue will help reinforce their comprehension skills and boost their confidence in storytelling.

As a reminder, please ensure you supervise your child while they use any device to access the video link provided. Thank you for your continued support in your child's learning journey.

Thank you

Year 1 Team
