

## Home – School Agreement

At Gascoigne we strive for *Excellence, Creativity and Compassion* in all that we do.

**We are all responsible for creating a safe, inclusive and respectful learning environment.**

### I will help my child to:

- Attend on time, every day.
- Wear the correct school uniform.
- Show our Kind HEARTS values and make safe choices.
- Do their best in school, asking for help when they need it.
- Complete home learning regularly.
- Use the internet safely both at home and at school.
- Talk to a grown-up if they have a problem, so they can get help.
- Be proud of our school

### As a parent, I will:

- Make sure my child attends school every day and arrives on time.
- Walk, cycle or scoot safely to school and be kind to others at drop-off.
- Celebrate the diversity of our school community.
- Show understanding and patience towards teaching and office staff, using respectful language at all times.
- Speak to my child's class teacher if I have a concern and never challenge other children or families directly.
- Report concerns about the safety of any child, or the behaviour of any adult, to a member of staff.
- Avoid using my mobile phone onsite and only take photos when permitted by staff.
- Inform the school in the morning if my child will be absent.

### I can expect school staff to:

- Show *Excellence, Creativity and Compassion*, in support of my child and my family.
- Put the safety of children first
- Strive for the best possible outcomes for my child, regardless of their starting point.
- Promote the importance of daily school attendance.
- Promote positive behaviour through the Kind HEARTS Values.
- Provide the best experiences possible for my child, nurturing their talents.
- Communicate with me about my child's progress.
- Provide further opportunities for me to be involved in school life.

***Abusive or threatening behaviour towards any member of our school community is not tolerated.***

| I will help my child to:                                                                                                  |                                                                                                                         |                                                                                                                         |                                                                                                                   |
